# How do we advance this mission?

## Policy

We promote a regulatory environment which removes barriers and creates equal opportunities for more corporates to procure renewable energy.

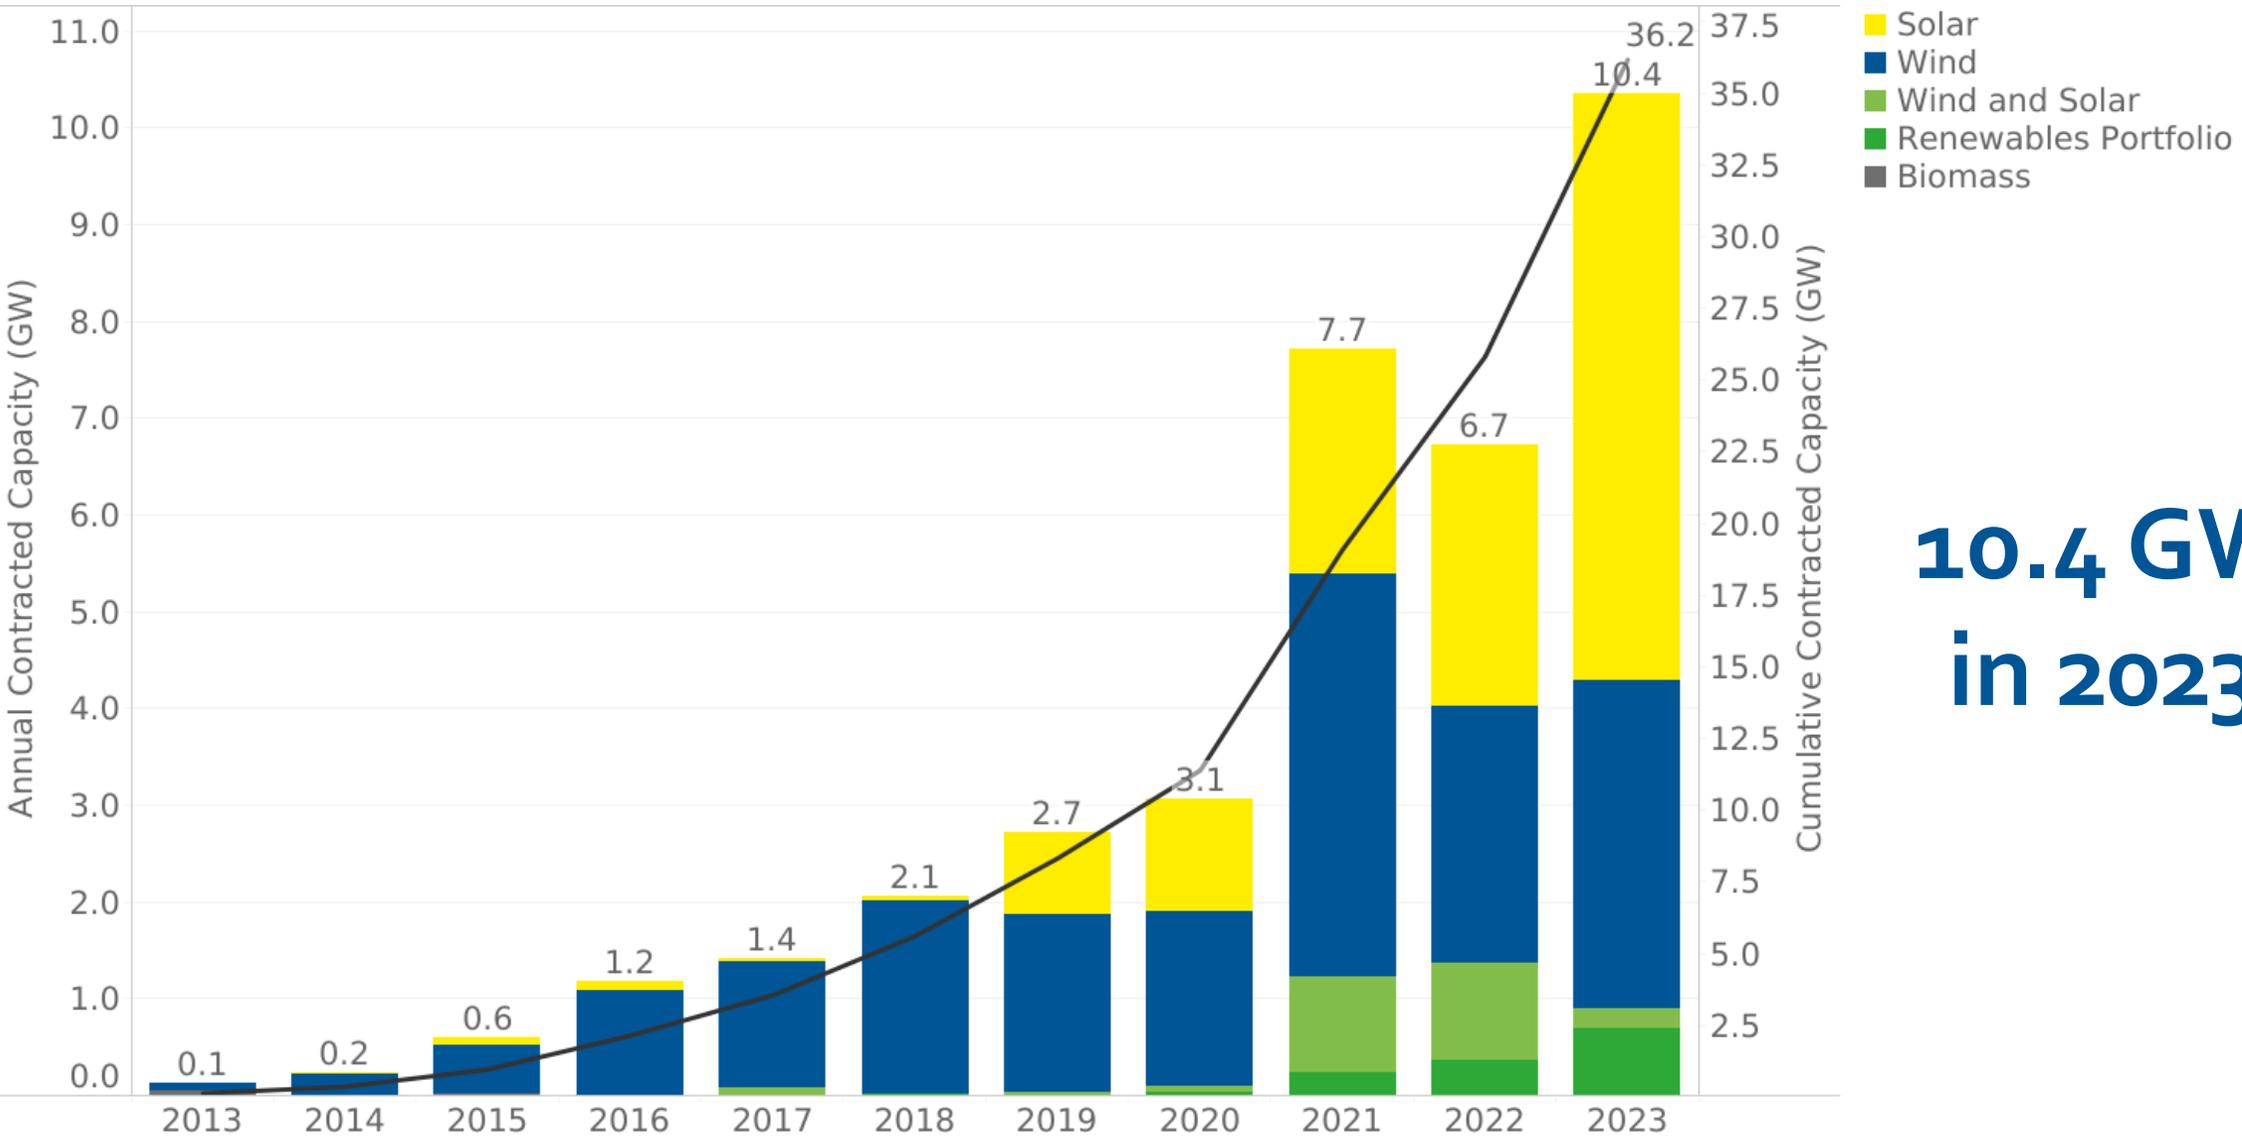

## Knowledge

We, as a knowledge hub, support growth in the renewable energy procurement market via tools and engagement; promoting the advantages; and by helping buyers benefit from new trends.

## Network

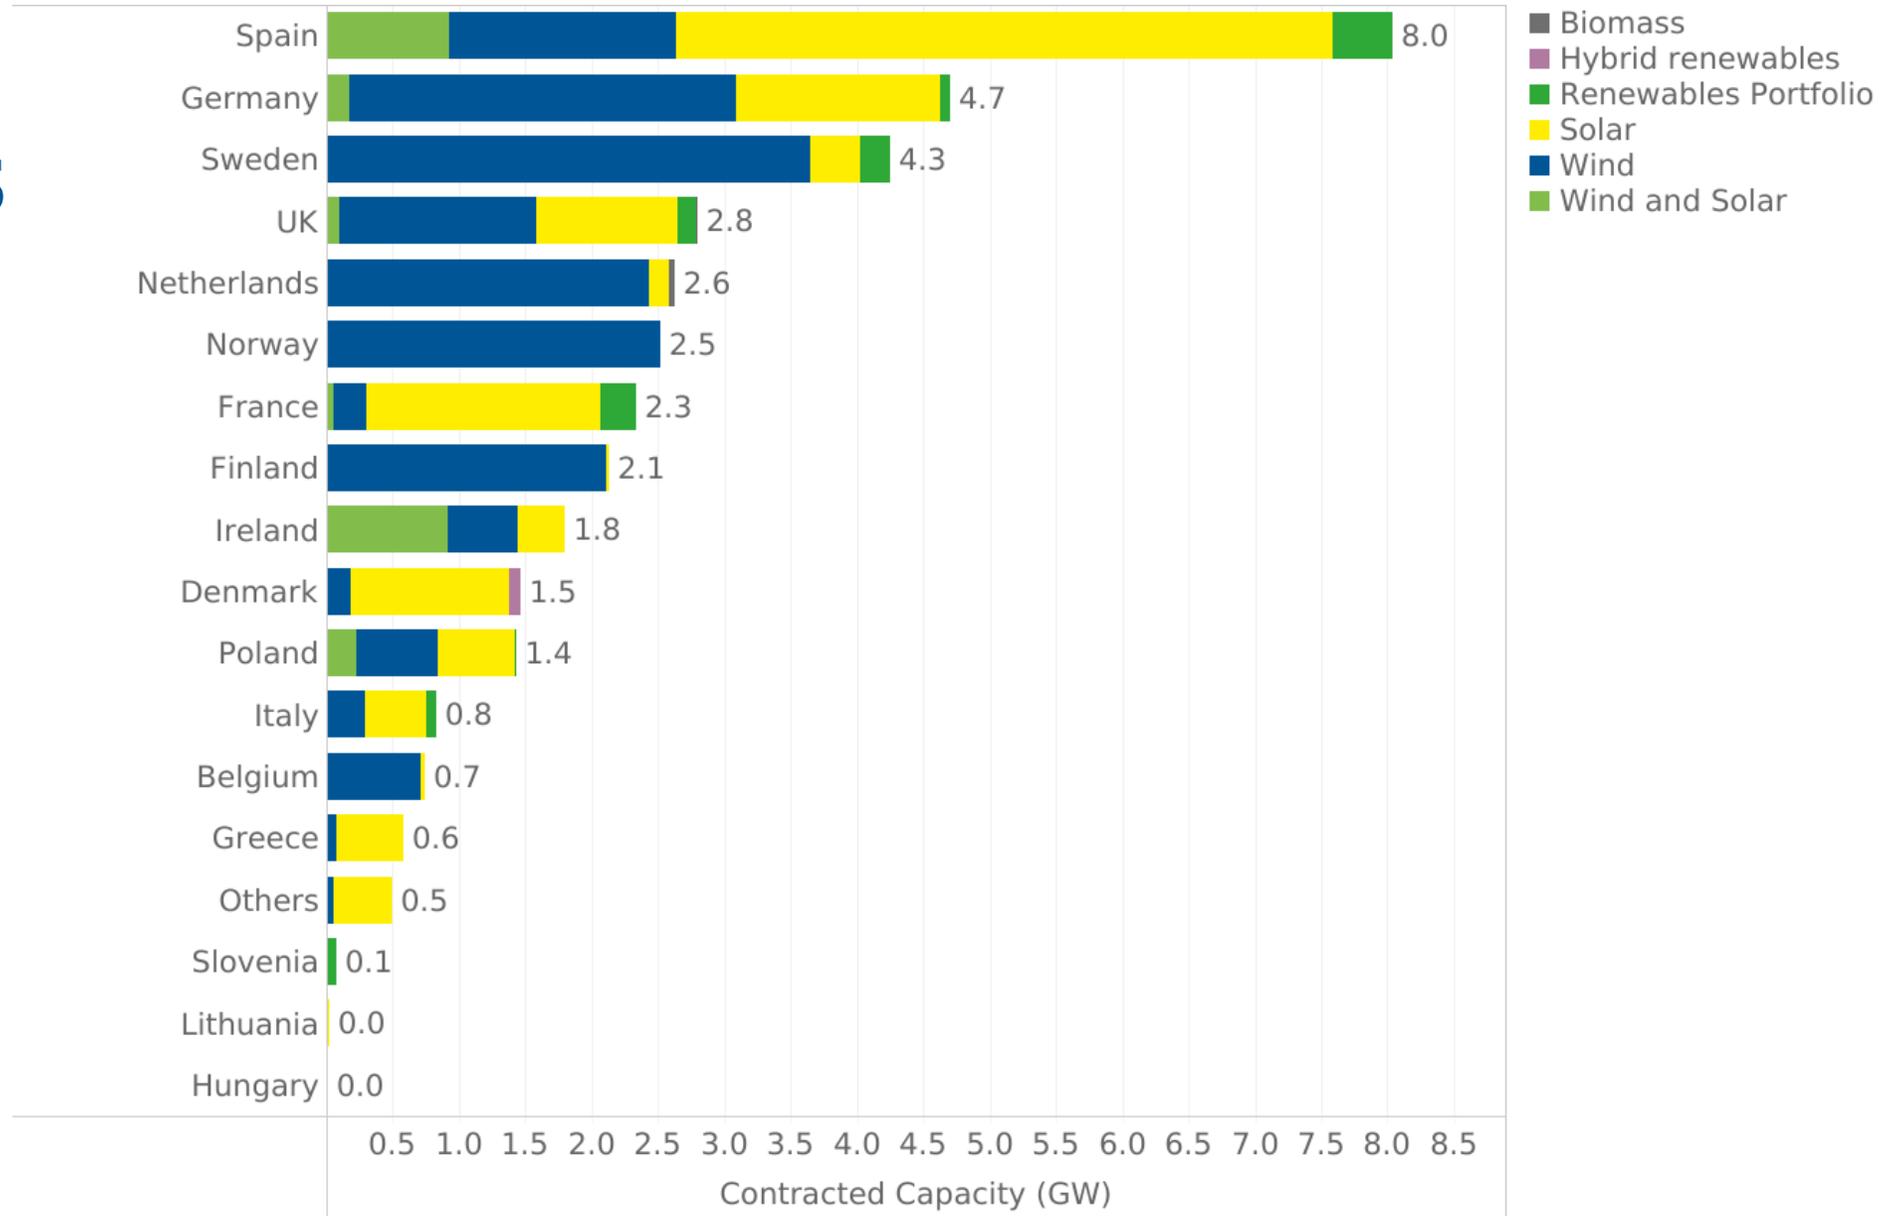

We connect energy buyers with suppliers to facilitate partnerships and to share best practice - to ultimately help more corporates procure renewables.

# Record PPA year in Europe

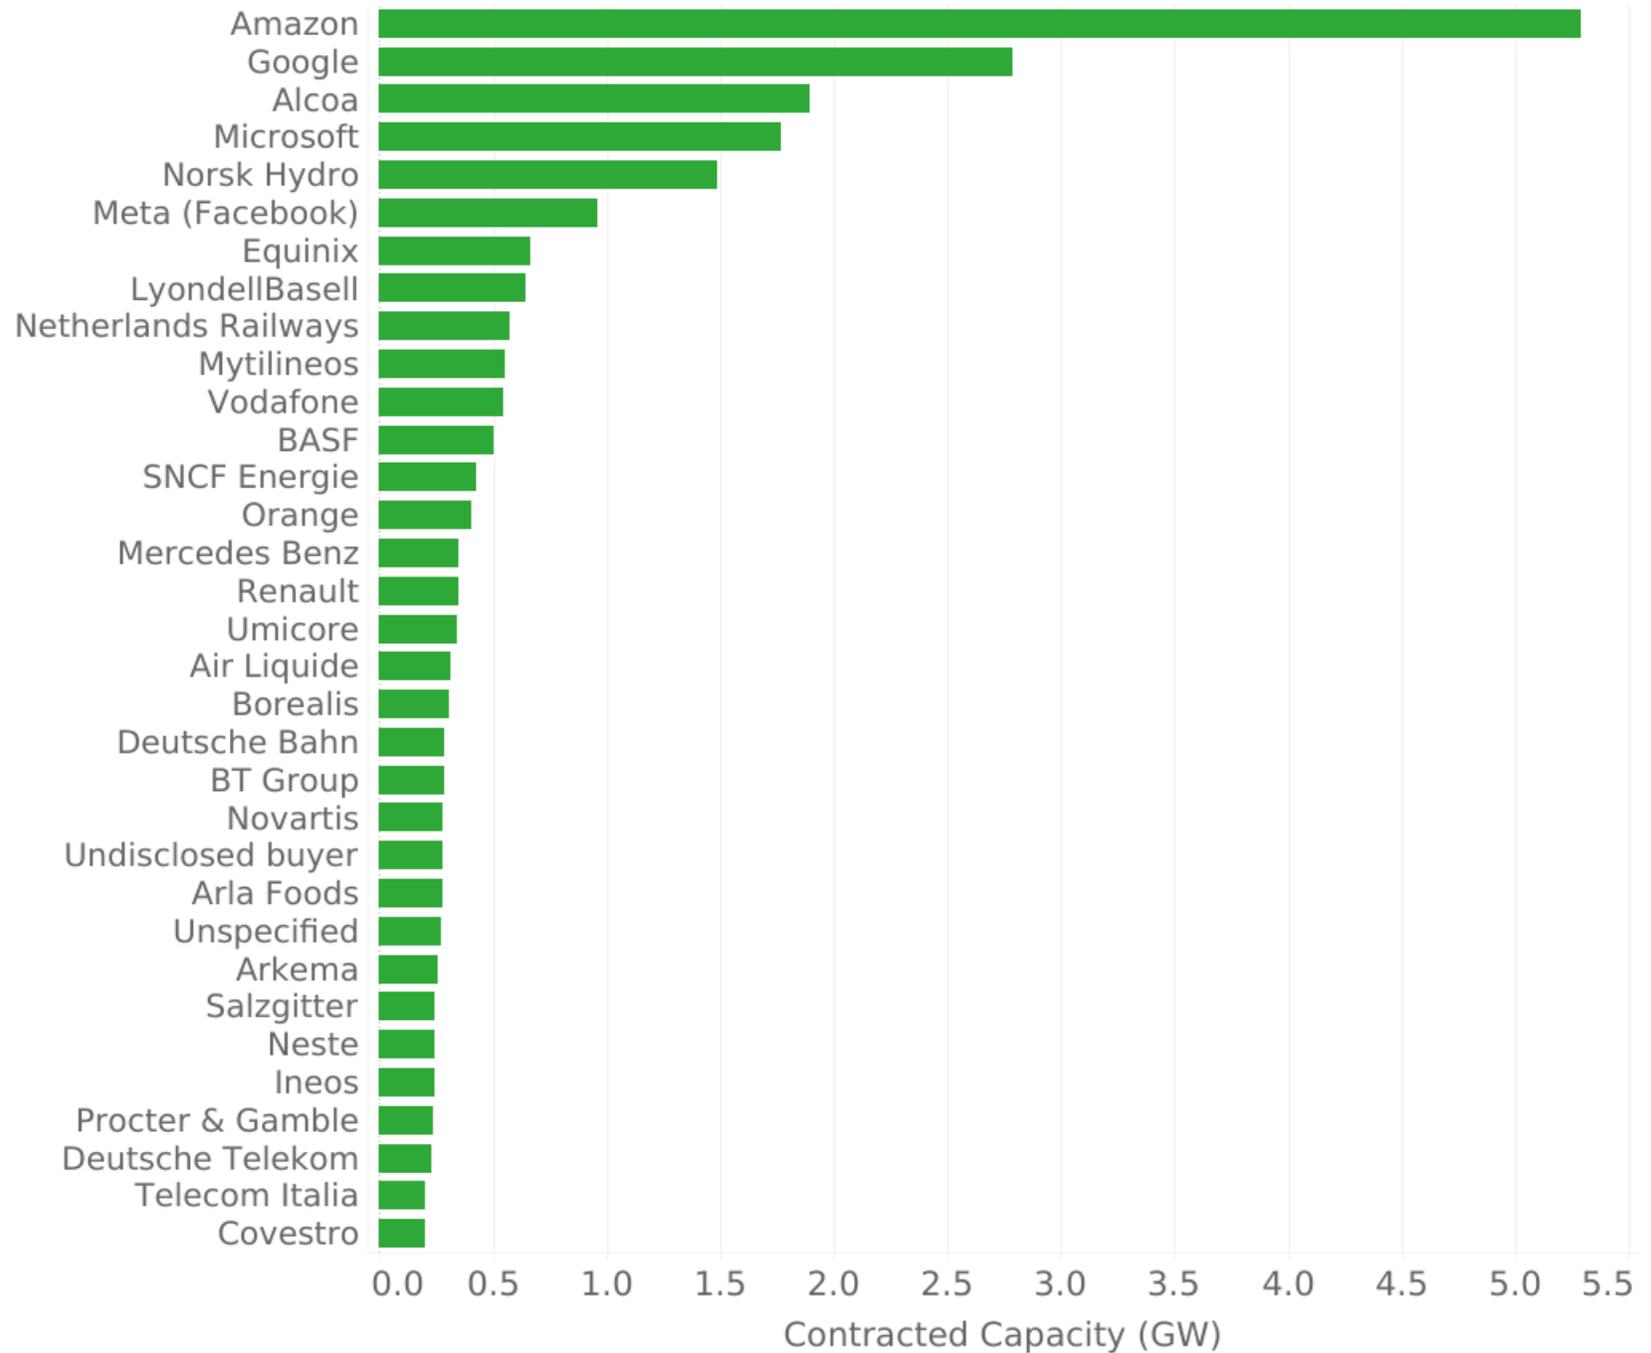

**10.4 GW  
in 2023**

# Top markets all time

# Top companies signing PPA's

(all time)

# Cities & public entities that signed a PPA

Group of UK universities, including ^

City of London, UK

Keva (pensions agency), Finland

Flintshire County Council, UK

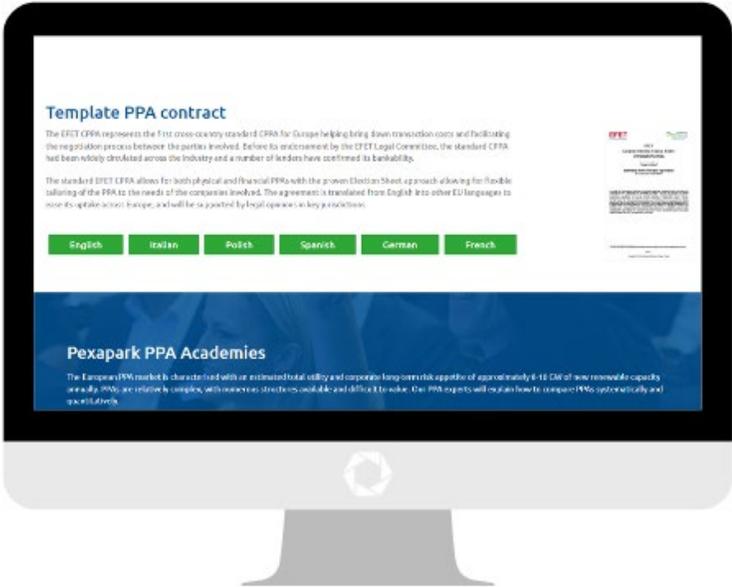

WARRINGTON  
Borough Council

7

Warrington Borough Council, UK

# Energy Buyers Toolkit

A practical guide to assist corporate energy buyers in navigating the renewable energy procurement process.
